Ways to Help

Supporting Shriners Hospitals for Children – Cincinnati

Helping Children. Protecting Childhood.

Your gift makes a difference.

Every day at Shriners Hospitals for Children® – Cincinnati we are helping children and protecting their childhood. Expert physicians, surgeons, therapists and other medical staff help children live the fullest lives possible. Our innovative research and outstanding teaching programs help us carry our mission even further. Our dedication helps expand the worldwide body of medical knowledge and improve the quality of life for people around the world.

The Cincinnati Shriners Hospital treats children with pediatric burns as well as many non-burn conditions. All care and services are provided in a family-centered environment, regardless of the patient or families' ability to pay.

As a 501(c)(3) nonprofit organization, Shriners Hospitals for Children – Cincinnati relies on the generosity of donors to continue improving the lives of children.

Ways to Serve

If an individual or group would like to become involved in a service project, here are some suggestions:

Donate Snacks

The kids really enjoy pre-packaged, store bought snacks like Goldfish, Oreos, chips, pretzels and mini candy bars. Please, no peanuts or peanut butter.

Collect Pop Tabs

Pop tabs are taken to a local recycling plant. The money generated is used to buy needed items for our patients.

Volunteer

For more information about current volunteer opportunities, please contact Victoria Keehnen at: vkeehnen@shrinenet.org or 513-872-6137.

Small toys and games that can be used in a wheelchair or bed are preferred for our patients who have limited physical mobility. Due to airline luggage restrictions, avoid large items. Patient privacy regulations (HIPAA) prevent us from allowing donors to personally distribute toys to the children.
